THE ARMY MEDICAL LIBRARY
Washington, D. C.

ARMY MEDICAL LIBRARY
PHOTODUPLICATION SERVICE

Effective 1 February 1947 free photoduplication service must be discontinued and services will be rendered at the prices listed below. This is necessary to meet the cost of the service.

The following conditions will be observed:

1. All orders must be accompanied by payment in cash or by check or money order payable to the Treasurer of the United States. Only governmental agencies are exempted from this requirement. Stamps must not be used in payment.
2. Orders must be submitted on a signed official order blank, a supply of which will be furnished on request.
3. Copies of articles from U. S. journals of general distribution published in the current year will not be supplied without special permission on the assumption that these will be available from the publisher.
4. Copies of entire books will not be supplied without written permission of the U. S. copyright holder.
5. Official requests from the Department of the Army will be filled free of charge. These requests should be routed through the post or hospital librarian or Commanding Officer.
6. Services to other governmental agencies will be billed periodically by Standard Form 1080 (Voucher).

PRICE SCALE

Microfilm:

Periodical Articles-- a flat charge of 50 cents for any article in a single volume of a periodical.

Books and Serial Publications-- 50 cents for each 50 pages or fraction thereof.

Photoprints (Photostats):

50 cents for each 10 pages or fraction thereof from any single volume.

N. B. Because of the difficulties currently involved in securing foreign exchange in many parts of the world, special arrangements will be made for supplying microfilm to persons and institutions outside the United States and Canada. Such persons are invited to write directly to the Library regarding the conditions under which they can make use of the microfilm services of the Army Medical Library.

The CURRENT LIST OF MEDICAL LITERATURE is for sale by the Superintendent of Documents, U. S. Government Printing Office, Washington 25, D. C., \$3.00 per year (\$3.75 foreign) 10 cents per single copy. All communications regarding subscriptions should be addressed to the Superintendent of Documents.

Published weekly by the ARMY MEDICAL LIBRARY 7th Street & Independence Av., S. W., Washington 25, D. C., as an intraservice publication of the Department of the Army. Lists all articles of medical interest contained in current journals received. Subject index provided monthly. Exchange invited.
